

FOOD FOR THOUGHT

TOM PARKER BOWLES

I've always preferred freshly made salad dressing to the bottled variety. But a new range from the London-based *French Dressing Company* tastes good enough to fool even the most discerning salad muncher. The No 14

had a decadent softness, but my favourite was No 9, which was sweet, smooth and natural tasting, with a welcome lemon zing.

From £3.75 for 250ml. For stockists, call 020 8747 4089.
